

WORKER'S ASSEMBLY

Sponsored by the Occupy Oakland Labor Solidarity Committee – <http://oolabor.org/>

Saturday, April 21st, 2012 10am–2pm
Oscar Grant Plaza (14th & Broadway)

The working class is facing an unprecedented assault from employers and the state. We must build solidarity in collective struggle. In this spirit we invite **all workers** – paid and unpaid, employed and unemployed, union and non-union, full-time and precarious – to join a Worker's Assembly. We will communicate across sectors – from city workers to the private sector, from domestic and service work to industrial labor – and begin to develop common struggles.
